SPECIAL EVENTS HELD AT IMAX

Here's a list of some of the special events held at IMAX:

- o Pre-conference welcome event, which included an hour of food & beverage on our Mezzanine Bar foyer, followed by a presentation (Powerpoint™ in the auditorium), and finally an inspirational film screening of choice.
- o Live broadcast of major sporting events such as the Soccer World Cup LIVE from Germany (2006), featuring themed food & beverage on the Mezzanine Bar foyer, followed by a live screening of the match in the auditorium.
- o Inspirational speaker events, such as a presentation by guest speaker Peter Hillary before a screening of the film Everest. Other speakers may be teamed with films relevant to the subject matter of the presentation.
- o Product launch, without an IMAX film screening. The Mezzanine Bar foyer may be used for displays and other signage, while the IMAX Auditorium is well-suited to audiovisual presentations (ie. Powerpoint™ and DVD).
